"Bridging the Gap between Technology and the Joint Warfighter"

USJFCOM Mission

U.S. Joint Forces Command maximizes the Nation's future and <u>present</u> military capabilities by leading the transformation of joint forces**, through** *joint concept development and experimentation***, identifying** *joint requirements***, advancing** *interoperability***, conducting** *joint training***, and** *providing ready continental U.S.-based forces* **and capabilities – all in support of the Combatant Commands.**
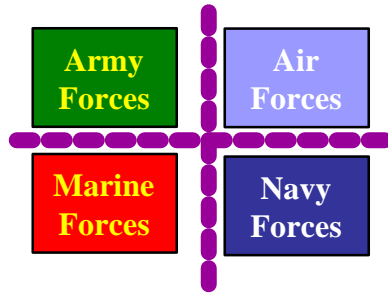

Transforming the Joint Force
# The U.S. approach

Deconflict Service Forces

Stitch Service Seams

Integration of Service Capabilities

Full Integration of Service, Interagency, and Multinational Capabilities

Army Forces	Air Forces
Marine Forces	Navy Forces

Army Forces	Air Forces
Marine Forces	Navy Forces

Army Forces	Air Forces
Marine Forces	Navy Forces

Services Deconflicting

Services Coordinating

Services Integrating

A Full Spectrum capabilities-based joint force

The Future is our new "AOR"

Department of Defense Priorities

- ⭐ • **Successfully Pursue the Global War on Terrorism**
- ⭐ • **Strengthen Joint Warfighting Capabilities**
- ⭐ • **Transform the Joint Force**
- ⭐ • **Optimize Intelligence Capabilities**
- • **Improve Force Manning**
- • **New Concepts of Global Engagement**
- • **Counter the Proliferation of WMD**
- • **Homeland Security**
- ⭐ • **Streamline DoD Processes**
- ⭐ • **Improve Interagency Process, Focus and Integration**

⭐ **= JFCOM priority**

Transformation is a top U.S. defense priority

Capabilities-based Transformation

Adapt to Changing Environment

Currently optimized for this

Peace | Conflict | War

Need better balance across the spectrum

Prototyping

➡ **Concept of Operations**

+ Technology

_____

= Operational Capability

Joint + Interagency + Multinational
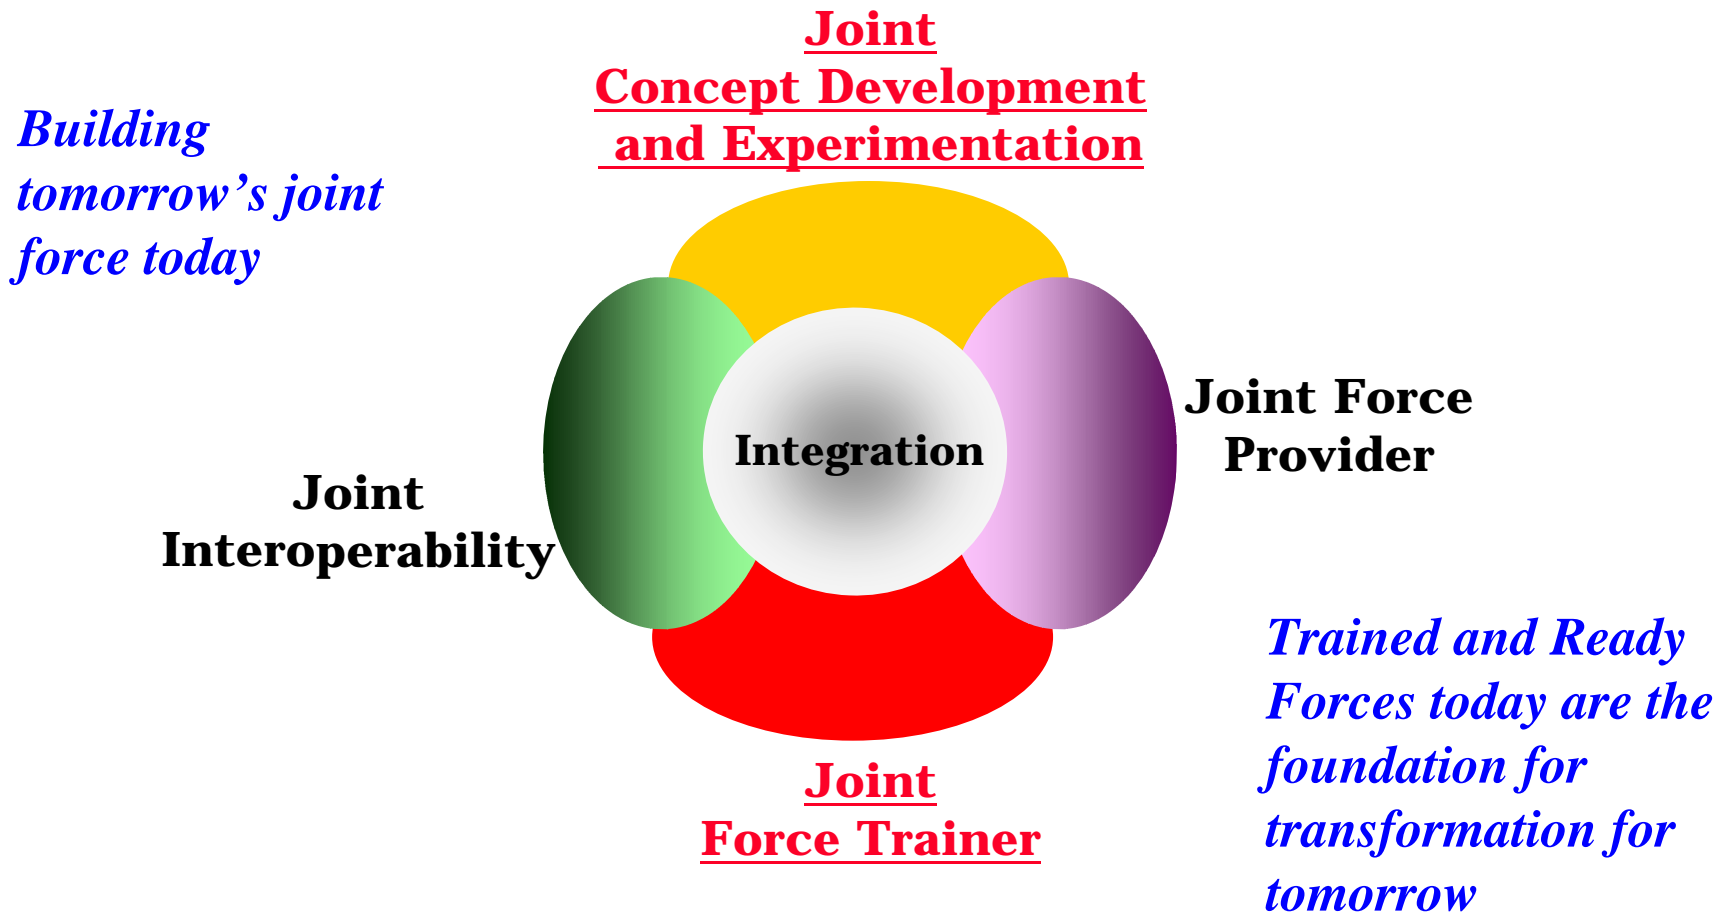

USJFCOM Capabilities-based Products

➢ Standing Joint Force HQ (SJFHQ)
➢ Joint Operational Concept
➢ Joint Battle Management Command and Control (JBMC2)
➢ Joint National Training Capability
➢ Joint Deployment Process Improvement
➢ Joint Close Air Support
➢ Joint Urban Operations

Capabilities must be optimized for the changing environment

JFCOM's Transformation Engines

Building tomorrow's joint force today

Joint Concept Development and Experimentation

Joint Force Provider

Integration

Joint Interoperability

Joint Force Trainer

Trained and Ready Forces today are the foundation for transformation for tomorrow

Integrating all enterprises to create coherent joint and combined capabilities
