

S&T for Chem Bio Information Systems
Working Group D-I
Dispersion Modeling & Sensor Data Fusion

- 1:30-2:00** **Release and Atmospheric Dispersal of Liquid Agents**
- 2:00-2:30** **Modeling and Simulation to Support Virtual Chemical
Hazard Environments**
- 2:30-3:00** **Translation of JEM Accuracy Requirement into a
Measurable Acceptability Criterion**
- 3:30PM** ***Conference Adjourns***
