

S&T for Chem Bio Information Systems

Session B-III

Battlespace Management

- 1:00-1:30** **A Bayesian Approach for Assessing Confidence in Biological Warfare (BW) Detection Event**
- 1:30-2:00** **A New BIO IMS for Simultaneous Detection of CWA Material**
- 2:00-2:30** **Chem-Bio Protection Without Chem-Bio Sensors: Low Cost, Dual Use Alternative Sensor And Information Architectures**
- 2:30-3:00** **TBD**
- 3:00** **Working Group III Adjourns for the Day**
