

The Industrial College of the Armed Forces

Resourcing the National Strategy

ICAF Mission

“I want to establish a little school....to preserve experience and keep in touch with industry.”

*Bernard Baruch,
Chairman*

War Industries Board, WWI

.....to prepare selected military and civilians for strategic leadership and success in developing our national security strategy and in evaluating, marshalling, and managing resources in the execution of that strategy.

ICAF Vision

The Nation maintains the Industrial College of the Armed Forces to:

- Educate strategic thinkers versed in national security strategy and its resource foundation
- Serve as a center for study and research in the resource component of national security
