CMMI v1.3 Focus Group

Objective

- **Provide community awareness of CMMI v1.3 plans**
- **Obtain community feedback on CMMI v1.3 and transition**
- **Bi-directional exchanges between community, SEI, and CMMI Steering Group**

Caveats

- **The intent is to inform, and obtain input on CMMI v1.3 draft model material**
- **All model material is the intellectual property of Carnegie Mellon University, and is subject to copyright and limitations on distribution**
- **The CMMI Product Team is subject to v1.3 requirements and constraints from the CMMI Steering Group, CCB, and Change Requests (CRs) – not all feedback received today can be acted upon for v1.3**

Outcomes

- **Suggestions and feedback to CMMI Product Team and CMMI Steering Group**
