## Notice Regarding Change to Method for Electronic Submission of Offers

All responses to TACOM-Warren solicitations must be submitted in an electronic format. Paper copy responses are not accepted. Currently, you are able to submit your offers through one of three methods: E-mail, Data Fax, and submission on 3 ½ inch diskette or CD-ROM. Within the next few weeks we will be enabling a Web-based option – submission through the Army Single Face to Industry's (ASFI) Bid Response System (BRS). Initially use of the ASFI BRS will be optional. However, we will stop accepting offers via E-mail, Data Fax and on diskette or CD-ROM after a 4 – 6 month transition period.

### New Requirements for On-line Submission:

1. You must be registered in the Central Contractor Registry (CCR) and have a CCR Marketing Partner Identification Number (MPIN) and CAGE Code.
2. If you initially view the solicitation on ProcNet (TACOM's contracting Web site) you will be provided a link to a Start Bid Page within the ASFI BRS. If you found the solicitation by searching on ASFI you will be able to start the on-line bidding process by using the Start Bid button on the ASFI Solicitation View page.
3. Once in the BRS you will be asked to enter basic information and will then be directed to upload one or more files containing your offer and information required by the solicitation.

We will be providing more information about this change through our Vendor Notification System and on the ProcNet Business Opportunities Web page. If you are not familiar with the ASFI Bid Response System, we suggest that you visit the ASFI Web site and review the Vendor Bid Response System Users Guide at [https://acquisition.army.mil/asfi/BRS\\_guide.doc](https://acquisition.army.mil/asfi/BRS_guide.doc)

This change will apply to TACOM-Warren only.

Please submit any questions to [DAMI\\_AcquisitionCenterWebPage@conus.army.mil](mailto:DAMI_AcquisitionCenterWebPage@conus.army.mil).
