Deputy PEO Land Systems Marine Corps

PROGRAM EXECUTIVE OFFICER
LAND SYSTEMS
MARINE CORPS

**Matrix: There
are no lanes or
boundaries!**

**NDIA Tactical Wheeled
Vehicle Conference**

Monterey, CA

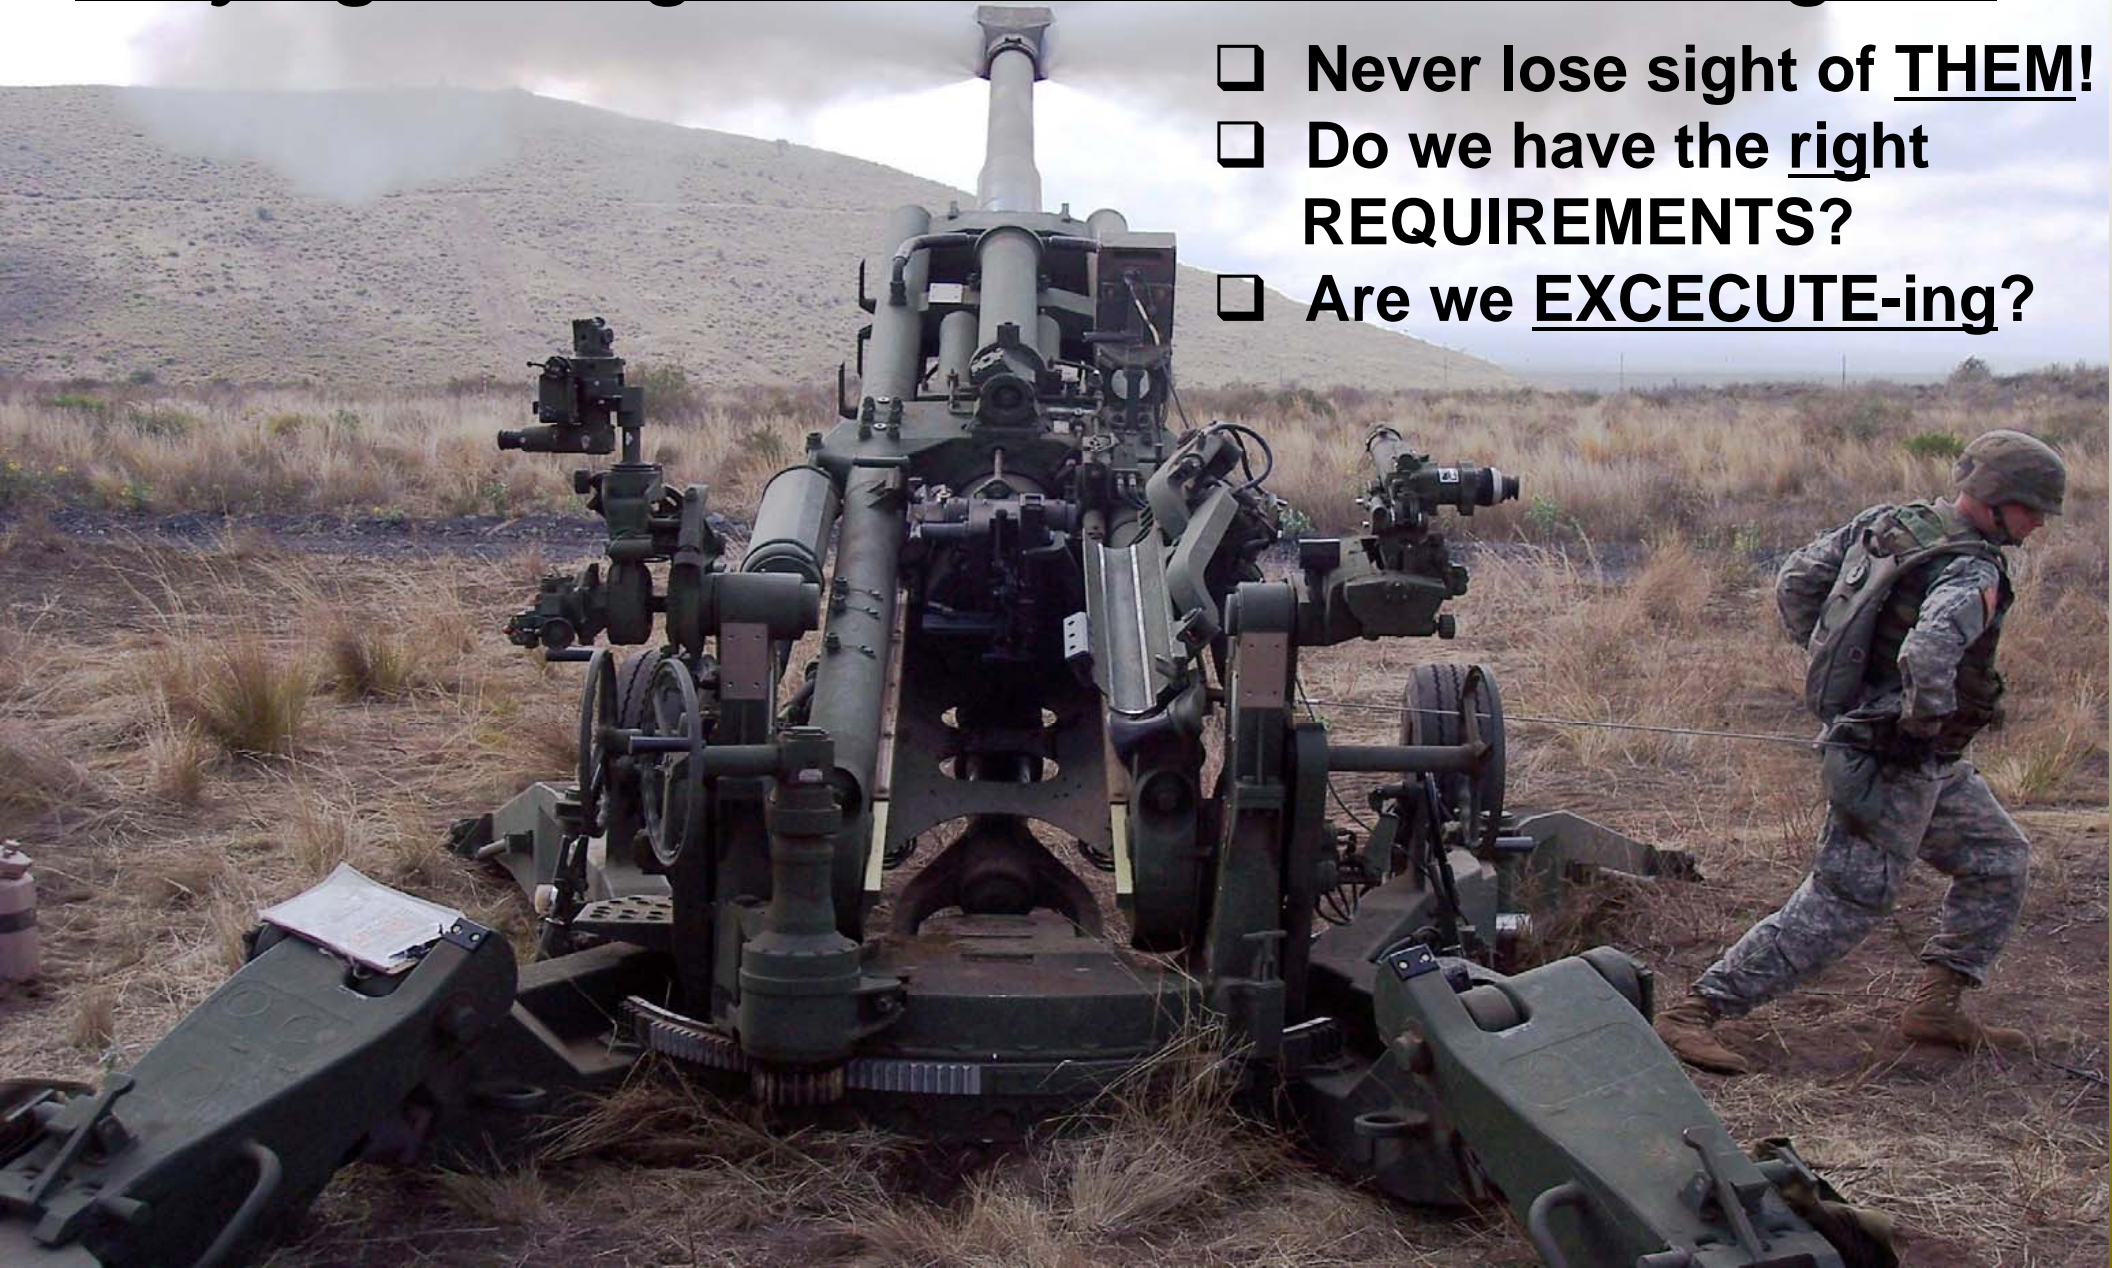

2 February 2009

EFV • JLTV • G/ATOR • LW 155 • MTRV • MPC • LVSR • CAC2S

Staying on target! It's All About The Warfighter

- Never lose sight of THEM!
- Do we have the right REQUIREMENTS?
- Are we EXCECUTE-ing?

Taking Ownership and Initiative

- Getting it right the first time
- Being Honest
- Resist “Rice Bowl” behavior

“There’s nothing easy about Acquisition...It’s a contact sport!”

Acquisition Requires Teamwork

Change is upon us!

- Better understanding of the requirement(s)
 - Industry's role
 - Government's role
- Performance ~~n~~on-tradable
- Process Improvements to build better Systems
 - PDR's, CSB', TRA's, PoPs

- Pilot program (PEO, MCWL MCCDC & ONR)
- Activation of USMC Reservists at FT Bliss
- Revitalized S&T focus
- Use of SBIR dollars
- Safety Video

Delivering Capability to the Warfighter

- ❑ **MAS kits for MTRV – 4 months to design, test & field
(Theater MAS installations completed Dec. 08)**
- ❑ **LVSR Cargo Variant to begin Fielding in April/May 2009**

In the End...This is Serious Business

PEO LAND SYSTEMS MARINE CORPS

IT'S ALL ABOUT THE WARFIGHTER
