The screenshot shows a blog post titled "USCG Mission Support Log" dated Friday, June 4, 2010. The post is titled "Mission Support Modernization - Leaning Forward" and is a guest post by VADM J.P. Carrier, Coast Guard Chief of Staff. The text discusses Coast Guard Modernization, DCMS logistics and service centers, and the ALCOAST process. A "Slideshow" section on the right features a "MISSION SUPPORT HANDBOOK 2010" cover.

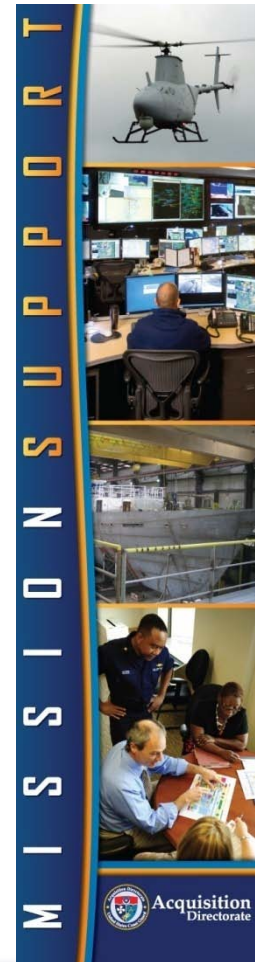

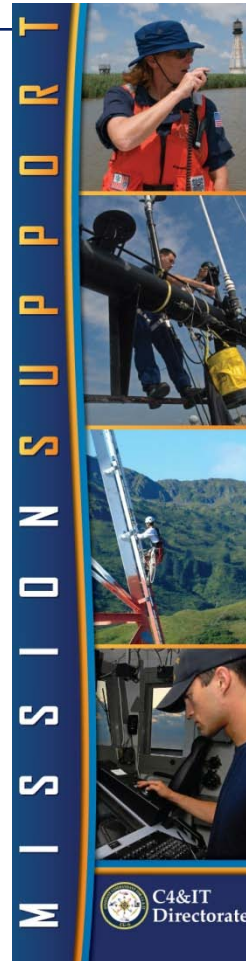

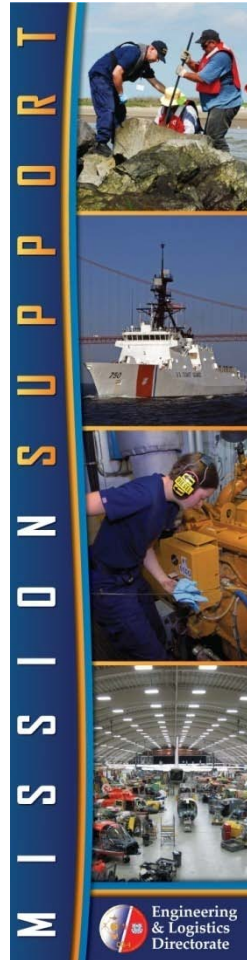

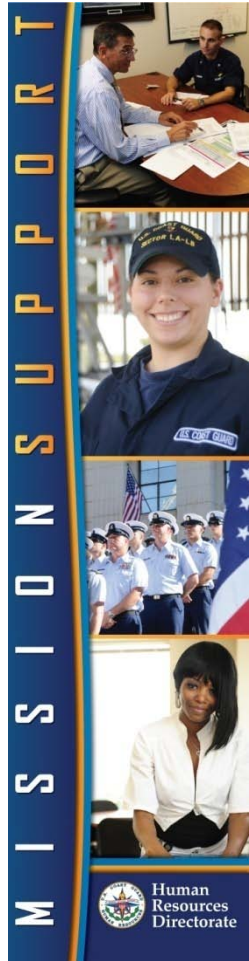

The screenshot shows the CG Portal Intranet website. The main header is "CGPORTAL" with the tagline "the information YOU need". The navigation menu includes Home, Units, Career Management, References, My Page, and Training & Education. The main content area is titled "DCMS/Mission Support Organization" and includes a "Welcome" message, a "Handbook" link, and "Current 1.0 State" and "Planned 2.0 State" options. A large "MISSION SUPPORT HANDBOOK 2010" cover is displayed on the right side, featuring a "MISSION SUPPORT U.S. COAST GUARD" logo and a "Version 1.0" label.
