Defense Logistics in an Era of Change

A world map is centered in the image, rendered in a dark blue color. The map is set against a black background. From the center of the map, numerous bright blue rays of light radiate outwards, creating a starburst effect. The rays are most intense near the center and fade as they move towards the edges of the frame. The text "Across the globe" is overlaid on the map in a white, sans-serif font. The words "Across the" are on the top line, and "globe" is on the bottom line, centered horizontally between the two lines.
