Annual Revenue

How we got here

- Selling what customers want
- Help from others
- Being true to values
- Not letting conventional wisdom limit options
- Surrounding ourselves with winners
- Hiring leaders we would follow
- Not being too modest
- Listening to learn
- Being honest with ourselves
- Taking advantage of learning opportunities
- Focusing on capacity first
- Welcoming diversity

**“Leaders are
born
with an innate talent
to question
conventional wisdom.”**

- John G Agno

MEI TECHNOLOGIES

Merging Excellence and Innovation
