ACC Strategic Priorities

- **Grow and develop a professional civilian and military workforce**
- **Maintain superior customer focus**
- **Standardize, improve and assure quality business processes and policies across the organization**
- **Obtain and maintain needed resources**
- **Enhance Working Environment/Quality of Life**

Recent Contracting Guidance

- **Focus on transparency**
- **Increase competition/reduce the use of sole source contracts**
- **Improve competitive environment for the life of multiple award contracts/shorten the length of IDIQ contracts**
- **Reduce risk of cost growth/overcharging**
- **Office of Management and Budget (OMB) Guidance to improve Government Acquisition, 29 July 2009 (implements President's Direction)**

Improving Government Acquisition

- Office of Management and Budget (OMB) Goals
 - 7 percent contract savings by end of 2011
 - 10 percent reduction in prices paid on sole source or cost type contracts in 2010
- Processes
 - Reduce use of Time and Material, Labor Hour, Cost Reimbursement and Non Competitive/"1 Bid" Contracts
 - Negotiate harder for reduced prices
 - Reduce wasteful spending
 - Improve requirement definition
 - Improve market analysis
 - Improve contract management and oversight
 - Use strategic buying techniques to get better prices

Improving Use of Contractor Performance Information

- **As of 1 July 2009 must use the on-line Past Performance Information Retrieval System**
 - **Interim and final evaluations must be fed into the system**
 - **This is already required for Army activities**
- **Termination for Default and defective pricing info must be noted if applicable**
- **The Office of Management and Budget (OMB) will track compliance and publicize who is not submitting required information**
