COL Bernard L. DeKoning, Commander

"Serving to Heal....Honored to Serve"

USAMRIID Mission & Vision

Biodefense solutions to protect our nation

To protect the warfighter from biological threats. Be prepared to investigate disease outbreaks or threats to public health.

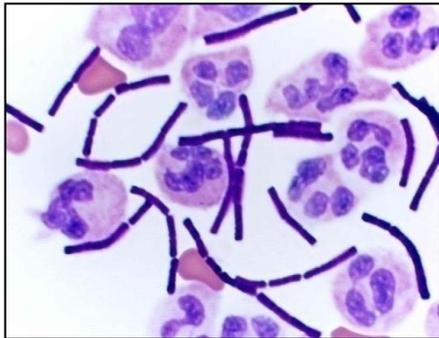

Right product, right time for the Warfighter

"Serving to Heal....Honored to Serve"

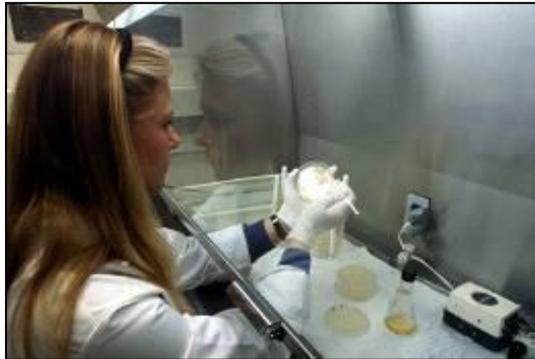

USAMRIID Core Competencies

Biodefense solutions to protect our nation

Research Biologic Agents

Rapid Identification of Biologic Agents

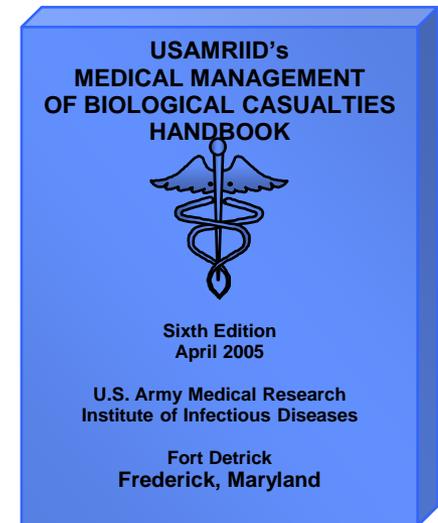

BSL-4

Maintain Safety, Security, and Surety Standards

Test & Evaluate Medical Countermeasures

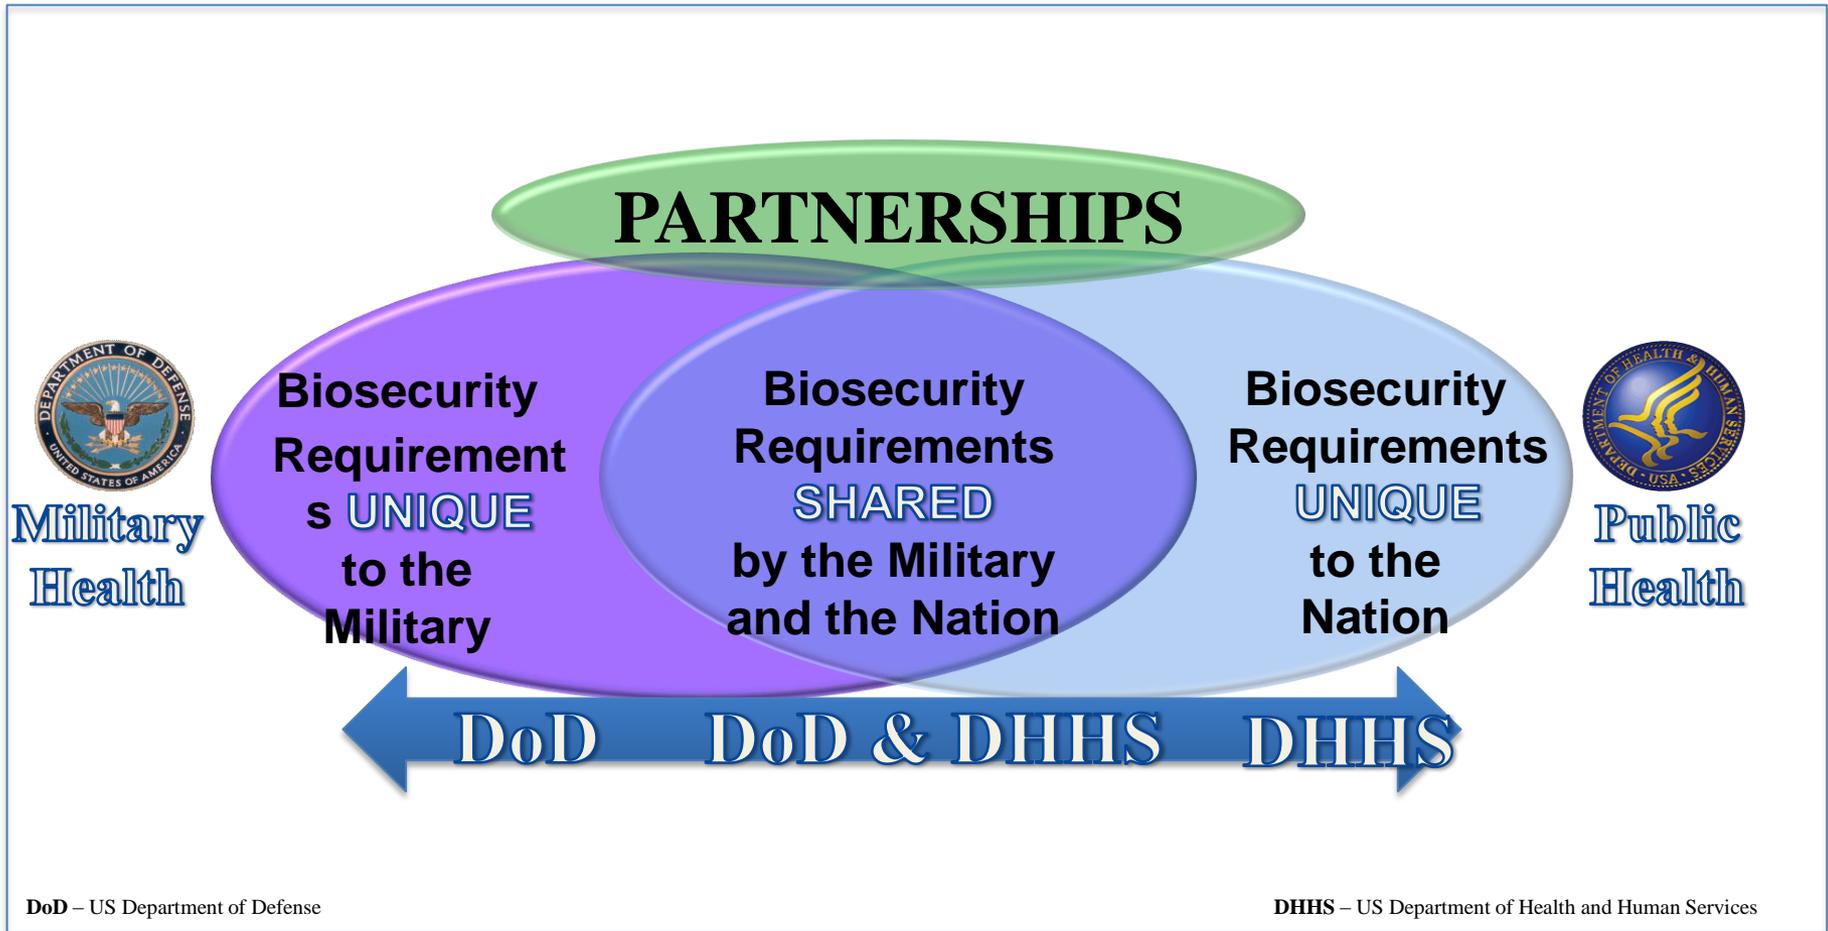

Train and Educate the Force

"Serving to Heal....Honored to Serve"

Convergence of Military & Civilian Biodefense Requirements Post-9/11

Biodefense solutions to protect our nation

Active partnership with INSCOM, DIA, NGIC, NCMI, DHS, FBI
on emerging threats

"Serving to Heal....Honored to Serve"

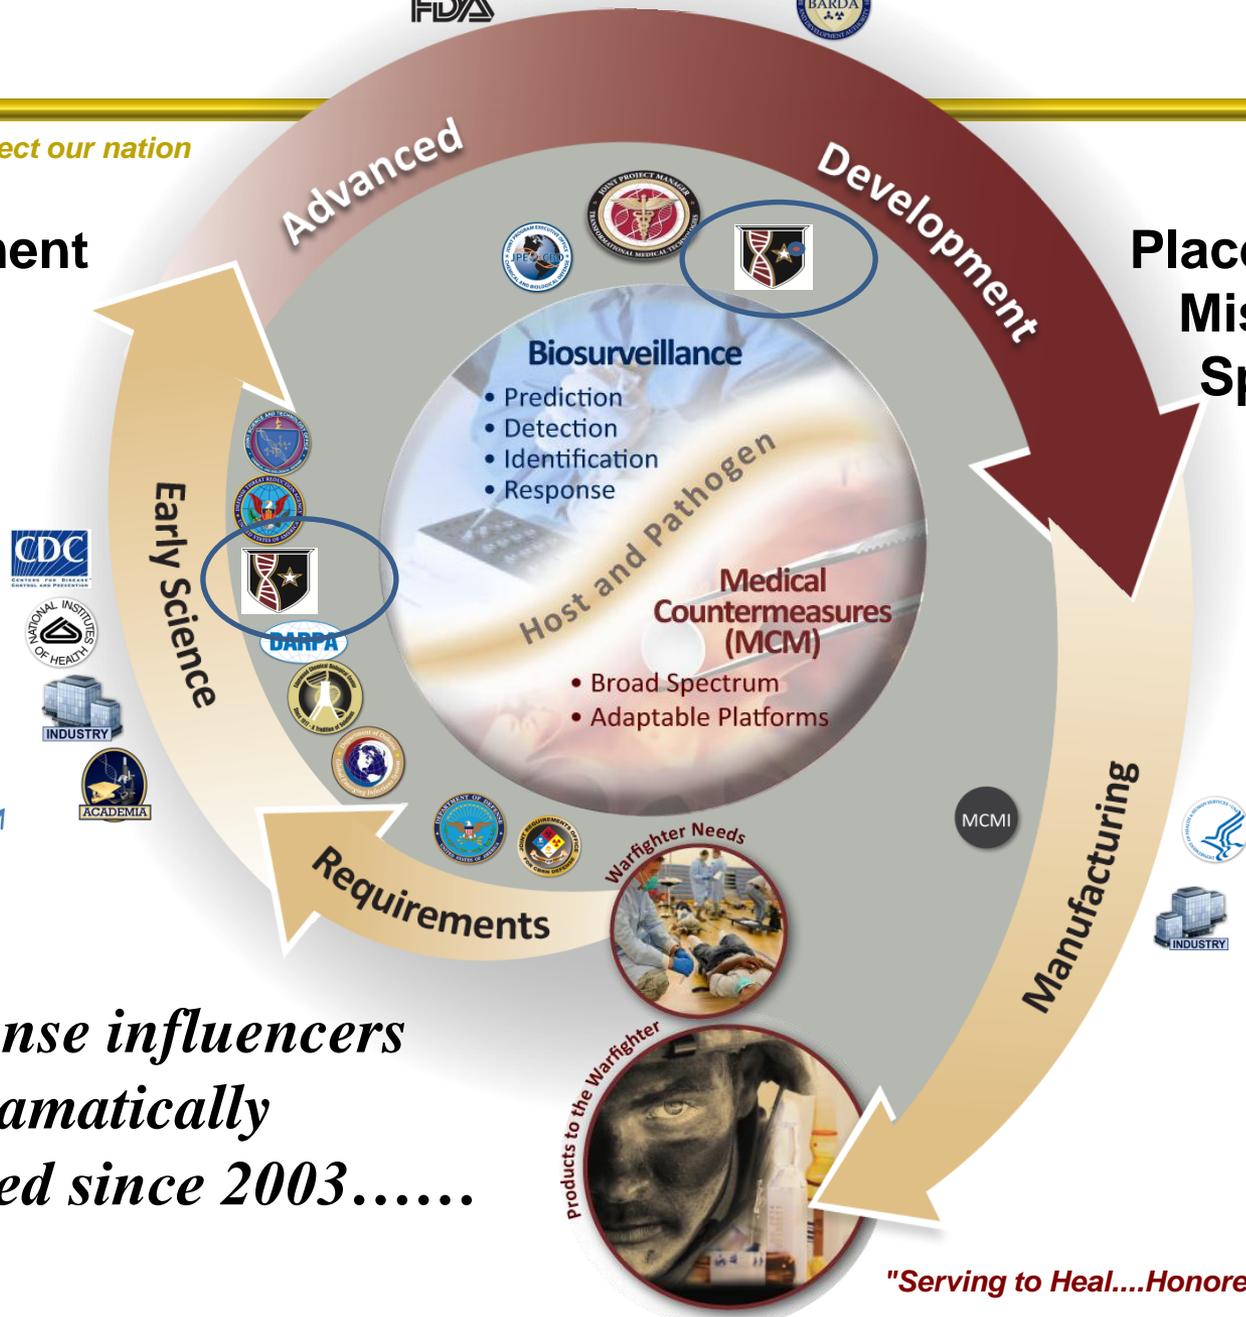

FDA

Biodefense solutions to protect our nation

Development Spiral

Biodefense influencers have dramatically increased since 2003.....

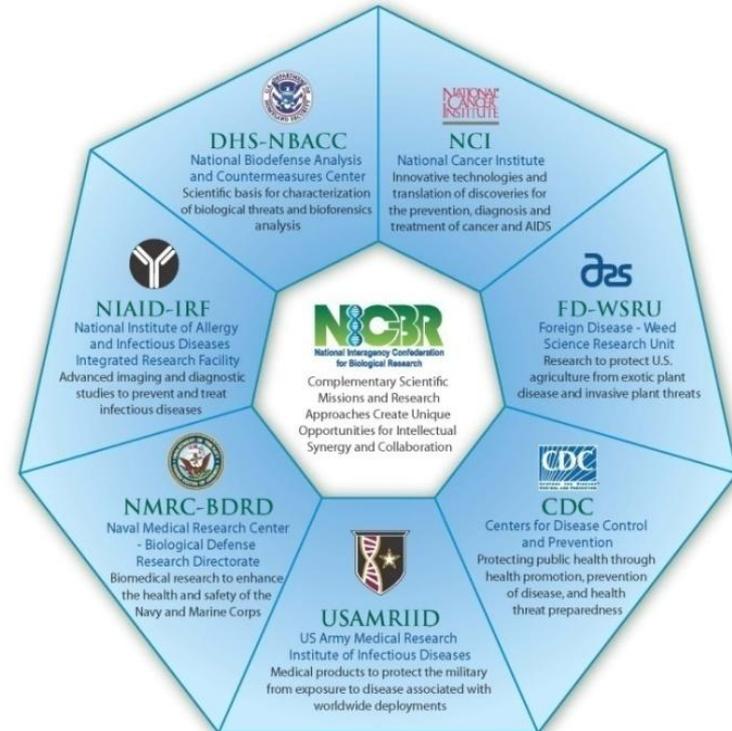

"Serving to Heal....Honored to Serve"

National Interagency Confederation for Biological Research

Biodefense solutions to protect our nation

- Includes seven partners that signed the Constitution
- USAMRIID and USAMRMC fall under MEDCOM
- USAG transitioned from MEDCOM to IMCOM
- NICBR includes NCI plus partners on NIBC
