

Optimizing Support Capabilities in a Resource Constrained Future

13 June 2013

NEVER AGAIN!

Our Challenge

- **Persistent, insidious threat**
- **Aggressive peer competitor**
- **Resource limitations**

Joint Force 2020

- **Decisive force**
- **Power projection**
- **Strategic agility**

Support Capabilities

- **Seamless connection to commercial sector**
- **Advanced business practices/commercial economies**
- **Improved operational effectiveness and efficiency**

Our Way Forward

- **Best-in-Class support**
- **Efficient industrial operations**
- **Focused innovation**

This Is Our Time

The dogmas of the quiet past are inadequate to the stormy present. . . As our case is new, so we must think anew, and act anew. We must disenthrall ourselves, and then we shall save our country.”
