ENTERPRISE INFORMATION SYSTEMS
DEPARTMENT OF THE NAVY

Mr. Victor Gavin, Program Executive Officer, EIS

NDIA 11th National Small Business
Conference

Program Executive Office for Enterprise Information Systems (PEO EIS)

We provide the business information systems, applications, and networks that our sailors, marines, and civilian workforce depend on every day, around the globe and around the clock.

The PEO EIS portfolio consists of six major program offices that provide life-cycle management of capabilities that are vital to our warfighters' ability to effectively execute their missions

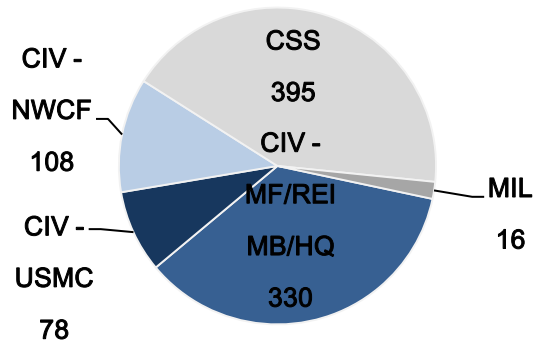

Our focus areas are Enterprise Terrestrial Networks, Business IT Systems and Fleet Support
