

Welcome to the 17th Annual System Engineering Conference

Sponsored by
NDIA Systems Engineering Division

In Conjunction With
**Deputy Assistant Secretary of
Defense, Systems Engineering**

System Engineering Division Mission

To promote the widespread use of systems engineering (SE) in the Department of Defense (DoD) acquisition process in order to achieve affordable and supportable weapon systems that meet the needs of the military users. To provide a forum for the open exchange of ideas and concepts between government, industry and academia. To develop a new understanding of a streamlined SE process.
