The State of Integrated Air and Missile Defense, July 14, 2016

MISSILE DEFENSE DIVISION

- ## MISSION & PURPOSE
  - Develop and reflect industry view on government policies, practices, needs and problems pertaining to missile defense
  - Foster mutual understanding and effective working relationships between the Defense Department, the military departments and industry
  - Identify and help resolve missile defense issues and matters of common interest to both government and industry
  - Provide a means for dialogue on all missile defense matters relating to the planning, programming, acquisition, deployment and prospective legislation

- ## ORGANIZATION
  - The Missile Defense Industry Group (MDIG): Assists in maintaining a high level of awareness in the planning, budgeting and execution of major U.S. missile defense programs; broader developments in arms control and strategic forces; and political developments in DC
  - The division's subcommittees: organize activities and respond to missile defense issues of national interest
  - The division's executive committee: conducts quarterly meetings at which senior missile defense leaders offer presentations on current topics

MISSILE DEFENSE DIVISION

- Activities
  - MDIG provides a bi-weekly exchange of information between government representatives, NDIA corporate members, consultants and others
  - Addresses/luncheons: Frank Rose, Assistant Secretary of State; LG Mann, SMDC; RDML Jesse Wilson, JIAMDO
  - Missile Defense Open House on Capitol Hill
  - Currently in discussions with MDA leadership to:
    - sponsor periodic luncheons at which MDA two-letter staff principals provide timely perspectives on the missions of the Agency
    - reestablish NDIA Awards for excellence in the missile defense community
    - host the annual Ronald Reagan Missile Defense Forum

Advanced Planning for Next Year
