

# SPECIAL OPERATIONS FORCES INDUSTRY CONFERENCE

**LTC Paul Weizer**  
PM-STS

**TRAINING SYSTEMS**

**ROTARY WING**

# SOF Aviation Simulation Product Portfolio

**SOFAST-E**

**Army Supported**

**MH-47G**

**A/MH-6**

**MH-60M**

**Flight Simulation**

**CAPT**

**Desktop Trainers**

**Vehicle Interdiction Training**

**Peripheral Training**

**SOF TEAMS**

**SOA STARS**

**Battle Staff Training System**

**Exercise Management Control**

**PM SOF Training Systems Integration and Sustainment**

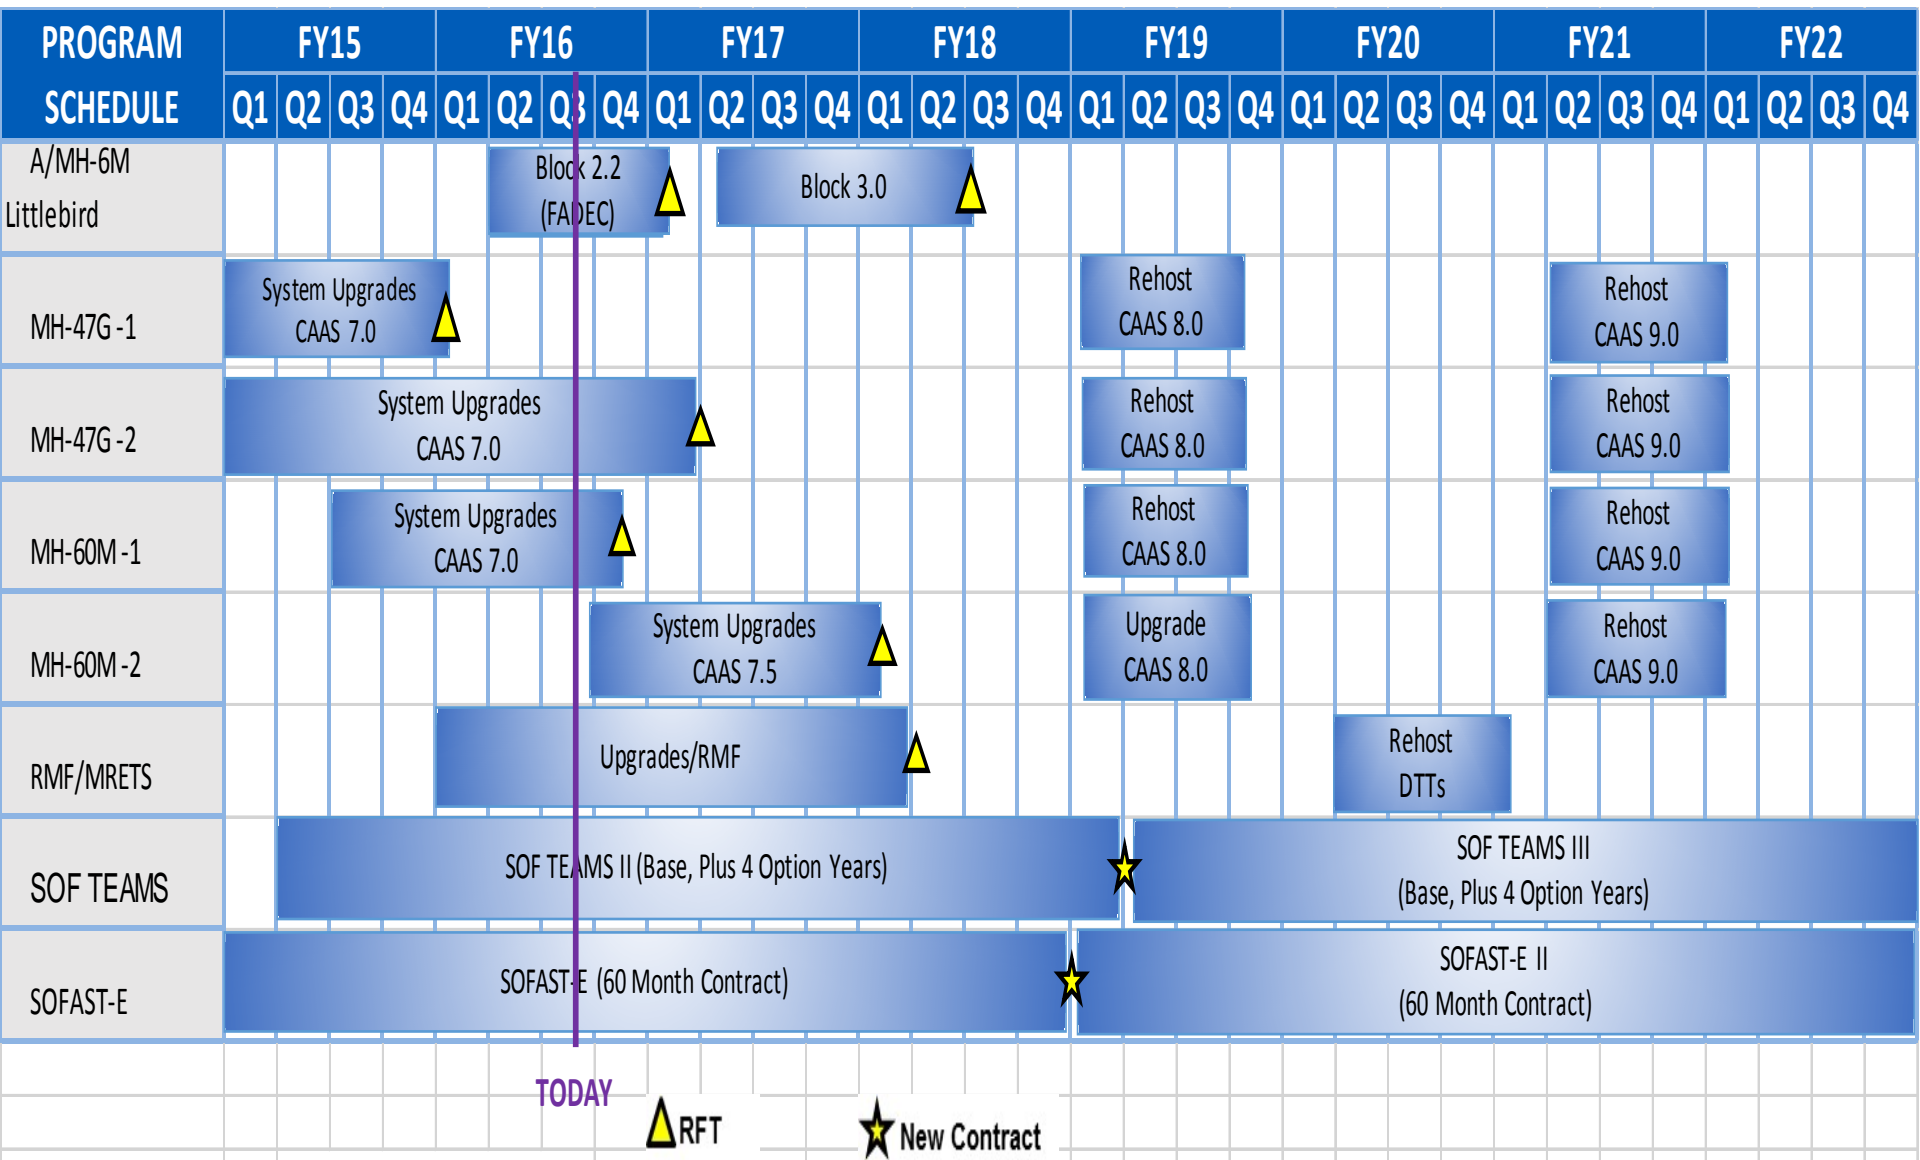

**Mission Rehearsal Operations Center**

**Incident Investigation**

**Simulation Training Exercise/ Mission Rehearsal**

# Overarching TADSS Update/Refresh Plan

# *SOF Aviation Priorities and Initiatives*

- ❑ Areas of Interest:
  - Distributed Mission Operations (multi-station interoperability) \*\*
  - Real-time database generation tools
- ❑ Users' Priorities: Available, Concurrent, Interoperable
  - HW/SW Concurrency Across All Systems (CAAS, MSN Equipment, Block Upgrades)
  - Commonality Across all Systems (Where Feasible)
  - Airborne Mission Networking
- ❑ Future Competitive Actions:
  - Special Operations Forces Aviation System Trainers – Enhancements (SOFAST-E => RFP o/a 1st Qtr FY17; major system upgrades)
  - Special Operation Forces Training, Engineering, and Maintenance Services (SOF TEAMS III => RFP o/a 3<sup>rd</sup> Qtr FY17; life-cycle sustainment)

\*\* Seek capability on SOFAST-E II o/a FY18
