SPECIAL OPERATIONS FORCES INDUSTRY CONFERENCE

Ms. Deb Woods
Program Executive Officer

COMMAND, CONTROL, COMMUNICATIONS, AND COMPUTERS

COMMAND, CONTROL, COMMUNICATIONS, AND COMPUTERS

Program Executive Office Command, Control, Communications, and Computers

Chief Information Officer's Vision

One Force, One Environment

SOF Information Environment Strategic Plan 2015 – 2020

1. Provide protected, world-wide distributed SOF communications networks…to all SOF
2. Enable continuous connectivity of the SOF operator to the SIE and trusted information stores
3. Establish network & information service interoperability with inter-agency and coalition cyber commons
4. Define governance…document requirements; program, budget, and resource…priorities for PEO-C4
5. Recruit, develop, and care for our C4 professionals to maintain talent, enhance knowledge, and retain staff

Program Executive Office Command, Control, Communications, and Computers

PEO-C4 Mission

Manage the development, acquisition, fielding, new equipment training, and sustainment of command, control, communications, computers, Military Information Support Operations (MISO), and Civil Affairs systems in support of garrisoned headquarters elements and the deployed warfighter

FUNDING

* Non-Developmental Item Emphasis

* Leverage Others' Resources

	FY16	FY17
• RDT&E:	$16M	$21M
• PROC:	$187M	$220M
• O&M:	$385M	$389M

Program Executive Office Command, Control, Communications, and Computers

Tactical Communications

SOF Tactical Communications

Radio Integration System

Joint Tactical C4I Transceiver System

Network Transport

SCAMPI (not an acronym)

SOF Deployable Nodes / Mobile SOF Strategic Entry Point

SOF Information Technology Enterprise Operations and Maintenance Services

Enterprise Networks & Military Information Support Operations (MISO) Systems

C4 and Intelligence Automation Systems / Special Operations Command Research, Analysis, and Threat Evaluation System

Tactical Local Area Network

Long Range Broadcast System
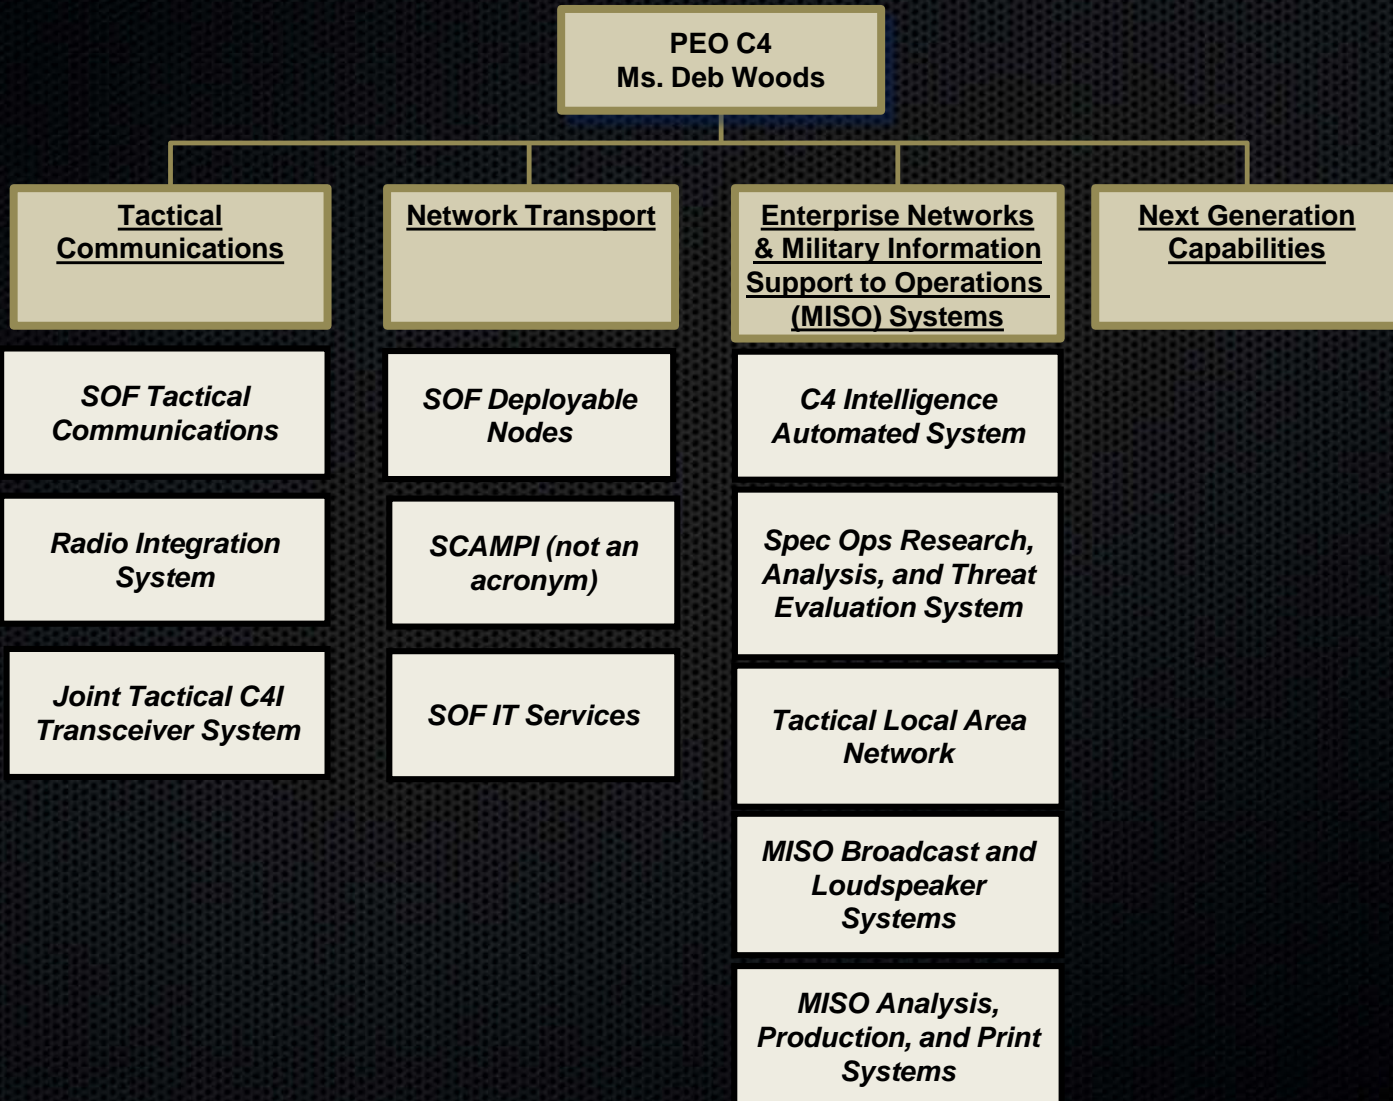

Media Production Center

MISO-Print

Fly-Away Broadcast System

Next Generation Loudspeaker System

Program Executive Office Command, Control, Communications, and Computers

PEO C4
Ms. Deb Woods

Tactical Communications	Network Transport	Enterprise Networks & Military Information Support to Operations (MISO) Systems	Next Generation Capabilities
SOF Tactical Communications	*SOF Deployable Nodes*	*C4 Intelligence Automated System*	
Radio Integration System	*SCAMPI (not an acronym)*	*Spec Ops Research, Analysis, and Threat Evaluation System*	
Joint Tactical C4I Transceiver System	*SOF IT Services*	*Tactical Local Area Network*	
		MISO Broadcast and Loudspeaker Systems	
		MISO Analysis, Production, and Print Systems	

Opportunities

- **"SOF IT Enterprise Contract 2"**
  - Enterprise IT Operations and Maintenance Contract
  - Request for Proposal Release Planned June 2016
- **Next Generation Manpack Radio**
  - Request for Proposal Release Planned August 2016
- **SOF Deployable Nodes Family of Terminals**
  - Light, Medium, and Heavy Variants
  - Request for Proposal Release Planned November 2016
- **Technology / Capability / Product *Demonstrations***
  - Participate in S&T Directorate's Technical Experimentation Events
  - Coordinate through Technology & Industry Liaison Office
