What is the Section 809 Panel?

*Introduction to the
Section 809 Panel*

"We are a catalyst for restoring agility and simplicity to defense acquisition through bold and effective solutions."

- Congressionally mandated (FY16 NDAA), independent, non-FACA commission tasked with streamlining and improving the defense acquisition process
- 18 commissioners who are senior marketplace and government leaders with more than 350 years of collective experience
- A catalyst for restoring agility and simplicity to defense acquisition through bold and effective solutions
- Focused on creating an agile and simple defense acquisition process that provides warfighters what they need, when they need it

Panel Objectives

*Introduction to the
Section 809 Panel*

*"Bold solutions
to reverse the
current course
of tinkering and
incremental
approaches to
reform."*

Reform Acquisition to ensure DoD can obtain and maintain **technological dominance** for the warfighter.

Instill a value for time and speed in the DoD acquisition process.

*Introduction to the
Section 809 Panel*

“The final report shall contain a detailed statement of the findings and conclusions of the panel, including additional recommendations for legislation as the panel considers appropriate.”

*Section 809 Panel
Statutory Charter*

Final report within 2 years will recommend

- Establishing appropriate buyer and seller relationships in the procurement system
- Maintaining and improving financial and ethical integrity of defense procurement programs
- Elimination of unnecessary regulations
