Marchwood Military Port
- 225 acre facility
- used for movement of tps & eqpt since 1943
- 35 year contract
- Manage military movements
- Develop trades
- Max commercial activity potential.
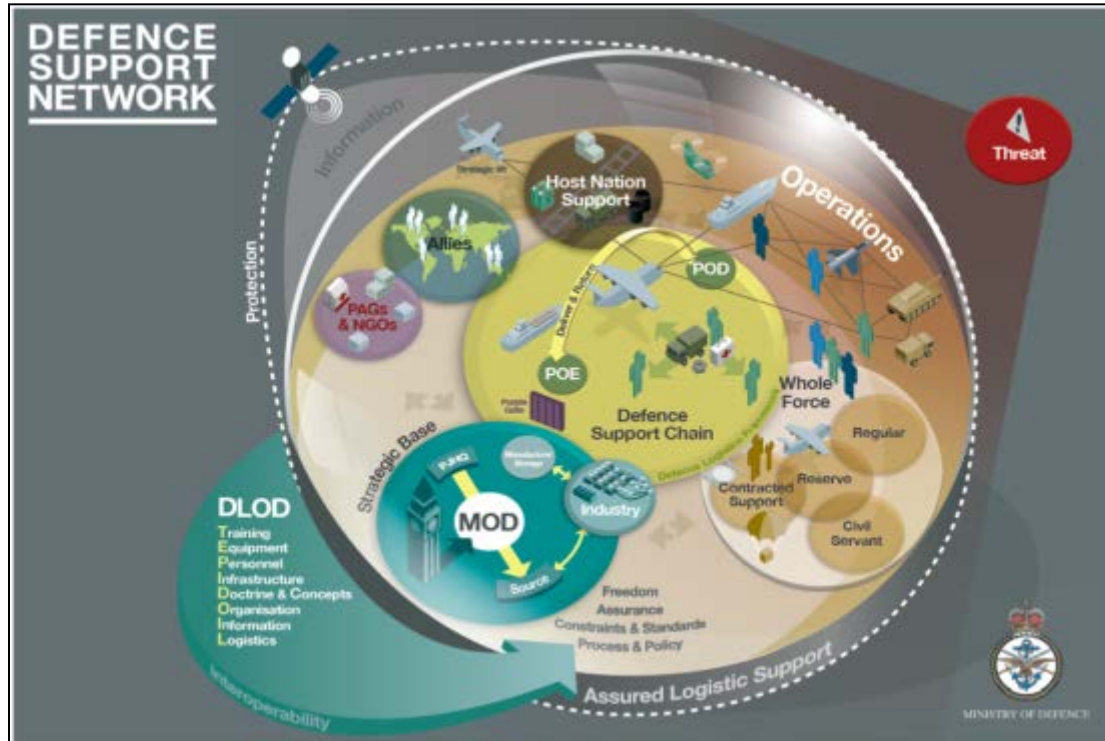

General Joseph Dunford USMC

Chairman of the Joint Chiefs of Staff

"Our centre of gravity as a nation is the alliances we've built up over the last 70 years at the strategic level and at the operational level our ability to project power. These two things, and our logistics, are the things we draw our strength from"
