

## **Lori Hales**

Lori Hales is a Senior Acquisition Environment, Safety, and Occupational Health (ESOH) Analyst with Booz Allen Hamilton. She has 30+ years planning, managing, and executing strategic ESOH programs, to include industrial hygiene, system safety engineering, and industrial/explosive safety engineering, as a Department of Defense (DoD) civilian and as a consultant for DoD clients. She has expertise in program management, technical ESOH planning and analysis, National Environmental Policy Act/Executive Order 12114, acquisition program oversight and technical execution support, and policy development. Lori holds a Master of Science degree in Occupational Health and Safety Engineering from West Virginia University and a Bachelor of Science degree in Biology from Grove City College.
