# POST 21 Theme:

## Overcoming Regional Security Challenges through Collaborative Technology Engagement

# The INDOPACOM Region

# Addressing Presence and Military Readiness through an Operationalized Science and Technology Board

---

**Presence requires ACCESS.**

**Access requires a RELATIONSHIP.**

# Relationships require many things

- **Understanding.**
- **Something to bond over.**
- **Three cups of tea.**

# **Science and Technology can provide the “something to bond over”**

- **Non-uniformed foot in the door.**
- **Exchange of ideas.**

# Five Priorities of Special Operations Command

---

- **Compete and win for the nation**
- Preserve and grow readiness
- Innovate for future threats
- **Advance partnerships**
- Strengthen our force and family

**INDOPACOM's  
priorities  
cannot be  
accomplished  
without  
Access and  
Presence.**

**The Nation's priorities cannot be accomplished without relationships.**
