Dwight D. Eisenhower School for National Security and Resource Strategy

Mission

The Eisenhower School mission is to educate joint warfighters and other national security leaders for [strategic leadership](#) and success in assessing [national security strategy](#) and in [evaluating, marshaling, and managing resources](#) in order to execute that strategy. [CJCSI 1800.01F]

“Only an alert and knowledgeable citizenry can compel the proper meshing of the huge industrial and military machinery of defense with our peaceful methods and goals, so that security and liberty may prosper together.”

Dwight D. Eisenhower
(Farewell Speech January 1961)

Vision

Internationally-recognized, accredited, graduate-degree granting, joint Professional Military Education institution uniquely focused on the integration of resources and strategy.

A War College of Unique Value

- **One-of-a-kind executive education in National Security and Resource Strategy**

As of May 1, 2023

Eisenhower School Curriculum

Key Academic Outcomes:

Hone Strategic Leadership:

Apply critical, creative, and design thinking to support strategic level decision-making and effectively communicate strategic concepts across Government.

Develop National Security Strategy:

Apply theory, principles, and concepts of war, strategy and resourcing to assess the global security and economic environment and develop national security and defense strategy and policy.

Evaluate, Marshal, and Manage Resources:

Evaluate domestic and international industry, and the government-private sector interfaces that support the national innovation and defense industrial base, to develop and execute resourcing strategy.

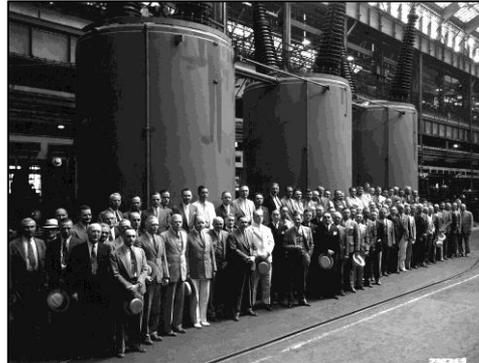

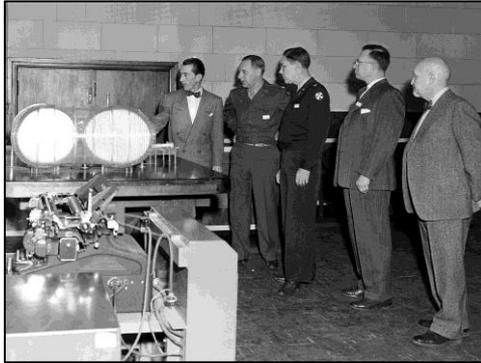

Concentrations (Full Year)

- Senior Acquisition Course
- Global Supply Chain and Logistics
- Research Fellow

Industry Studies (Spring Semester)

- Advanced Manufacturing
- Aircraft
- Artificial Intelligence & Virtual Reality
- Biotechnology
- C4ISR
- Electronics Warfare/EMS
- Energy
- Environment & Climate
- Finance
- Land Domain
- Maritime
- Networking & Communications Technology
- Nuclear Triad
- Organic Industrial Base
- Robotics & Autonomous Systems
- Space
- Strategic Materials
- Transportation & Logistics
- Weapons

Field Study Practicum

ARMY INDUSTRIAL COLLEGE ON INSPECTION TOUR
WESTINGHOUSE ELECTRIC & MANUFACTURING CO. - EAST PITTSBURGH, PA WORKS
JUNE 22, 1935

“I want to establish a little school ... to preserve experience and keep in touch with industry.”

Bernard Baruch

Chairman War Industries Board, WWI

Objectives

- Increase outreach to agency stakeholders
- Promote “ES branding” and our value proposition
- Appreciate the support from DLA and NDIA
- Encourage continued participation in the ES Experience
- Set conditions for future evaluation of graduate performance
