What Is APEX?

Nationwide program funded in part by the Department of Defense.

Exists to help U.S. businesses:

- Become procurement ready
- Experience procurement success
- Stay in the government marketplace

APEX services can help businesses:

- Identify potential agencies that buy your goods/services
- Free Daily Bid-Match Service
- Find Federal/State/Local agency bid opportunities as a prime or sub-contractor
- SAM Registration & other necessary registration needed to conduct government contracting.

APEX services can help businesses:

- Develop sales and marketing strategies geared towards government customers
- Assess eligibility and complete certifications for small business preference categories such as 8(a), HUBZone, Veteran and Service-Disabled Veteran-Owned, Woman-Owned, and Ohio's Minority-Owned, Woman Owned, DBE, and EDGE Certifications
- Understand solicitations and assist with the bid proposal process

APEX services can help businesses:

- SBIR/STTR and other innovation opportunities
- Training workshops on specific contracting topics
- CMMC – Cybersecurity

APEX can assist clients to register:

U.S. Small Business
Administration

Connecting Buyers and Suppliers
